

## **ASIALO-INTERFERONS AND THE TREATMENT OF LIVER CANCER**

### **Abstract of the Disclosure**

This invention features methods for preparing and using asialo-interferons, including asialo-interferon- $\alpha$ , asialo-interferon- $\alpha 2a$ , asialo-interferon- $\alpha 2b$ , asialo-interferon- $\beta$ , asialo-interferon- $\beta 1a$ , asialo-interferon- $\beta 1b$  and asialo-interferon- $\gamma$ , for treating liver cancer. Asialo-interferon therapy may be used alone or in combination with other antineoplastic therapies.
